

Quaker Vinyl Windows & Doors

can save you money on your energy bills and possibly qualify you for up to \$1500.00 credit on your federal income tax.*.

Recent passage of the Economic Stimulus plan is allowing homeowners the chance to take advantage of modified and extended tax credits for energy-efficient improvements, which includes windows and doors.

The tax credit is equal to 30% of the cost of qualifying energy efficient upgrades up to a maximum of \$1500.00 for a household for 2009 and 2010.

Qualifying window and door products must have both a U-Factor of 0.30 or lower and a Solar Heat Gain Coefficient (SHGC) of 0.30 or lower.

Full Qualifications*:

- 0.30 U-Factor or lower
- 0.30 SHGC or lower
- Retain your sales receipt and the NFRC labels from each window and door
- Purchase must be made before Dec. 31, 2010.
- Claim your tax credit on your Federal tax submittal for the applicable 2009 &/or 2010 tax year.

Quaker has several products that meet the Tax Credit qualifications.

Series Name	Material	Operating Style	#U-Value w/ Low-E & Argon Gas	#Solar Heat Gain
AdvantEdge	Vinyl	Double Hung Window	.30	.29
AdvantEdge	Vinyl	Single Hung Window	.30	.29

All values shown were achieved with DSB glass.

* Certain limitations apply. Consult your tax preparation advisor or the IRS for complete details.

U-Value & SHGC may vary slightly depending on the insertion of grids, but will not affect qualification status.

** Large picture windows (at least 20 sq. ft.) may require the use of a thicker glass and may not meet Tax Credit qualifications.

All products listed here meet ENERGY STAR® qualifications.

For more information, see www.energystar.gov/taxcredits

Quaker's Brighton™ Series wood clad windows are now qualified for Tax Credit eligibility.*

The tax credit is equal to 30% of the cost of qualifying energy efficient upgrades to an existing home. A maximum of \$1500.00 for a household for 2009 and 2010 is allowed.

Qualifying windows must have both a U-Factor of 0.30 or lower and a Solar Heat Gain Coefficient (SHGC) of 0.30 or lower.

Full Qualifications^:

- 0.30 U-Factor or lower
- 0.30 SHGC or lower
- Retain your sales receipt and the NFRC labels from each window
- Purchase must be made before Dec. 31, 2010.
- Claim your tax credit on your Federal tax submittal for the applicable 2009 and/or 2010 tax year.

For more information on the Federal Tax Credit program and its criteria, see: www.energystar.gov/taxcredits

Quaker Wood Clad products that meet the Tax Credit qualifications

Series Name	Interior Material	Exterior Material	Operating Style	U-Value*	SHGC*
Brighton™	Wood	Aluminum	Double Hung Window	.28	.24
Brighton™	Wood	Aluminum	Casement Window	.29	.23
Brighton™	Wood	Aluminum	Awning Window	.30	.29
